

5 Steps

# How I grew on YouTube in 5 Simple Steps

RESEARCH TO UPLOAD ➔

Step 01

# Research that Actually Works

- Perplexity.ai for topic discovery.
- YouTube search + filters for trend spotting.
- Google News for current topics.

## Step 02

# Quick & Punchy Scripting

- Strong Hook in first 3 seconds
- 1 Clear Message per video
- CTA at end: Subscribe or Comment
- Keep script under 100 words

Step 03

# Minimal Setup, Max Impact

- iPhone 11 Pro for 4K recording
- Tripod for stable framing
- Ring light for lighting boost
- Clean wall background or natural light

Step 04

# Edit Fast with VN Video Editor

- Add bold text + sound effects
- Cut fast (no pauses)
- Use transitions to keep flow smooth
- Keyframing, Map animation, Blending, Color Grading and B-rolls etc.

Step 5

# Upload Like a Creator, Not a Beginner

- Title: searchable + curiosity-driven
- SEO: tags, hashtags, description
- Thumbnail: custom via Canva
- Pin a comment with CTA

**“I DIDN’T QUIT – LIFE PUT ME ON PAUSE.”**

🎥 I WAS CREATING VIDEOS WITH PURE PASSION.  
BUT REAL LIFE HIT HARD.

- MY IPHONE (64GB) GOT FULL – NO SPACE LEFT TO SHOOT OR EDIT.
  - I LIVE IN A VILLAGE – WITH NO PROPER INTERNET TO UPLOAD.
  - I DIDN’T HAVE THE MONEY TO UPGRADE GEAR.
- MY FAMILY NEEDED ME TO FOCUS ON A CAREER PATH THAT PAYS.
  - MENTAL PRESSURE STARTED EATING MY CREATIVITY.

SO I TOOK A STEP BACK –  
NOT TO GIVE UP...  
BUT TO SURVIVE,  
TO REBUILD,  
TO RETURN STRONGER.
